Message from the Chairman

Mr. Abdulrahman Bin Abdullah Al Ansari

Today after 16 years of hard and smooth work, we have made this mission a fact. Our products are well known in the market and proud to see that the operations are managed by capable officials in all areas. I'm fortunate to be surrounded by highly qualified individuals to achieve uniform goals. We have made many steps to meet the growing demand of our customers in the Qatar Market by improving technologies so that we can provide services according to the highest international standards and specifications. The key factor for this achievement is our continuous seek to exceed customer expectations. We are proud of our success and keep following the latest technologies and means to provide appropriate solutions. I, utilize this opportunity to thank each person: Including our employees, who became a part of our growth.

Message from the General Manager

Mr. Badruzzaman Chettiyanthodika

Witnessing Qatar's remarkable economic development has been an exciting experience. We are fortunate to live in one of the world's fastest growing economies, one that is characterized by increasingly diverse markets and infrastructure development. Autotech Group has been able to contribute significantly to this growth for 16 years, it has been operating and will always make every effort to play our part in driving Qatar's success and economic prosperity. Over the years, our commitment to professional ethics and quality has evolved into a set of corporate standards and practices which we use as our benchmark for excellence. This approach to provide the highest level of quality in all our endeavors has delivered returns at every step of the company's development.

Today, we pride ourselves on being a trustworthy household name both in Qatar and beyond with all our business and employees loyally working together as one team, one family.

ABOUT US

AUTOTECH, established in 2005, initially directed its efforts towards servicing the automotive trade in general and offering its vehicle refinishing products and services to automobile franchises and dealerships. Our regular innovation and training program upholds the principle of "retain and upgrade the know-how capital within body shop staff." Thus ensuring consistency in the high quality finishes obtained by our customers.

We work towards promoting teamwork within our organization and helping our employees with personal development and self-fulfillment. All this in a healthy and safe work environment and investing in new facilities, up-to-date machinery, and state of the art equipment.

Now, AUTOTECH is the acknowledged leader in vehicle refinishing consumables and Expert Precision paint mixing in Doha-Qatar.

Our Mission

Our mission is to provide our clients the best automotive refinish to their loved colors and become an all inclusive shop for quality solutions, which results in upwards profitability and higher productivity. Through innovation and tailor-made solutions, we can identify our clients requirements for delivering our excellence.

Core Values

INTEGRITY • TRUST • ETHICS • COMMITMENT • LEADERSHIP • INNOVATION

Quality Policy

01. Tested Products and Brands
02. Unique in-house technologies, and trained professionals.
03. 24/7 Customer Support
04. Professional Training & one to one support for clients
05. Precision paint mixing for automotive refinishing
06. Ultimate Quality & Safety

ONE STOP SHOP

Autotech's "one-stop-shop" concept for professional body shops with Tailor Made Solutions is constantly improved to allow customers to enjoy **Advanced Finishing Technologies**. Furthermore, our team of qualified and independently accredited technical staff ensures sustainable practices in our clients' bodyshops. Being an Autotech partner means Quality products with perfect mixing, saving time, reducing waste, and high efficiency, which further results in higher profitability.

Our Services

Our success is largely dependent on the top quality, ease of application, and time savings gained using our products. We have developed the products while focusing on the most fundamental concepts in the body shop industry: Fast turnaround and exceptional finish..
